

YOUR GUIDE TO THE UN 2023 Water Conference

WHEN & WHERE

22 - 24 March
In New York City,
at and around the
UN headquarters

WHAT

First UN conference
on freshwater since 1977,
to accelerate action
on commitments
already made.

WHO

Convened by the UN General
Assembly, co-hosted by the
Netherlands and Tajikistan.
Participation of member
states and policymakers.

CONFERENCE FORMAT

Expect a full schedule of plenary meetings, five multi-stakeholder interactive dialogues, high-level special events and side events.

Themes of the interactive dialogues

Water for
Health

Water for
Sustainable
Development

Water for
Climate, Resilience
& Environment

Water for
Cooperation

Water Action
Decade

EXPECTED OUTCOME

The conference will result in two documents

A mandated output document to summarize the proceedings during the conference

A Water Action Agenda inviting anyone to submit tangible and actionable commitments
